

Series: Why  
**Can Science Explain Everything?**  
Following the evidence wherever it leads

1. [Grou...

Can Science Explain Everything?  

2.

**The narrow path of Christian thought**  
7 Questions, 103  
We develop arguments and every fully rigorous argument against the knowledge of God, and take every thought captive to obey Christ.

3. CSEE...

1. How to **Defend** Christianity  
- Acts 17:28-29  
- 1 Corinthians 15:12-19

4. CSEE...

ii. The Resurrection: A Necessary Scientific Inquiry  
-> Our primary text: **Expository Science**

5. CSEE...

**Forensic Science**  
The objective forensic sciences have their own methods, meaning "to open court" or "public". When you describe something as forensic you really mean that it is to be used **holding a witness** to what a crime.

6. CSEE...

Our lead forensic investigator  

7. CSEE...

  
Books by J. Warner Wallace

8. CSEE...

ii. The Resurrection: A Necessary Scientific Inquiry  
-> Our primary text: **Expository Science**  
-Methodology: **Scientific Reasoning**
